“NightScapes” Workshop by Christine Ivers, PSA

Workshop Description

This is a one-day workshop that explores texture, temperature and the medium of pure pigment on black gator board. Students will have the opportunity to paint from their own photos or photos that will be available. They will also be able to purchase pre-prepared boards that incorporate the surface that I work on. All levels are invited. A demonstration and critique will be included.

Workshop Outline

Day One:

Students are encouraged to arrive prior to 10 a.m. to set up their workspace.

Workshop starts at 10 a.m. sharp with a lecture about the surfaces I use and a demonstration, which lasts for approximately 1.5 hours.

Students break for Lunch 12 noon – 12:30 p.m. I encourage discussion at this time.

Students paint after lunch until 4:00 p.m. (This time is flexible due to class number.)

4 – 5:00 p.m. Critique and questions.
